Staff Performance Review

+3Λ

07/05/14 - Revision 1

CONFIDENTIAL

Introduction

Why?

The Performance reviews are essential for the effective management and evaluation of staff. Reviews help develop individuals, improve organisational performance, and feed into business planning. They enable management and monitoring of standards, by establishing agreed expectations and objectives, and delegation of responsibilities and tasks. Staff performance reviews also establish individual training needs and enable planning of organisational training.

Who?

Every employee should complete a performance review.

When?

The performance review form should be completed, and taken to your staff review.

How?

The form as a whole is broken down into five sections:

- A. Past year
